EDUCATION

Oregon State University: Data Science major; First year
Expected Graduation Date: June 2030

PROFESSIONAL SUMMARY

My name is Natasha and I am a striving data scientist with interests in revising data into actionable insights and machine learning. I am excited to apply my knowledge in critical thinking, communication, and teamwork to solve analytical problems as well as learn new technology to progress.

EXPERIENCE

Snow Island, Kailua Kona, HI

Team Lead | April 2025 - February 2026

- Managed daily closing operations, including cash handling and coordination between front and back of house duties
- Maintain and run a social media account to promote the business
- Ensure things are consistently prepped and ready for the next shift

Keauhou Bay Adventures, Kailua Kona, HI

Manager on Duty | June 2024 - January 2025

- Assisted the Operations Manager in daily management of store and pool facilities, ensuring everything was running smoothly. Helped organize activities for a team of 15+ staff members
- Processed payments for event bookings, balancing cash drawers, and put together daily financial reports in the system

Team Lead/Supervisor | March 2024 - June 2024

- Directed comprehensive training sessions for new hires on pool operations, safety protocols, and customer service practices. Gave continuous support and mentorship
- Made sure that all tasks were completed on time and to a high standard
- Assisted in creating schedules using spreadsheets

Clover and Mug, Keauhou, HI

Barista | March 2026 - September 2026

- Prepared and organized ingredients for recipes, adhered to safety regulations
- Maintained a clean and sanitary work environment by regularly cleaning kitchen equipment and surfaces
- Conducted training sessions regarding front of house duties/customer service

---
